About Me

I am Elango T, a B.Tech student in Artificial Intelligence and Data Science at Kangeyam Institute of Technology. I have a strong interest in web development, UI/UX design, Python, and AI.

I have completed certified courses from Internshala, Simplilearn, and Google UX Design, and practiced 150+ Python programs GeeksforGeeks to strengthen my coding foundation.

I enjoy building responsive websites, solving coding challenges, and applying my skills in real-world projects and internships. I'm now seeking opportunities to contribute and grow further in web development and AI.
